President

Philippine Nurses
Association, Inc. (PNA)

Ruth Thelma Tingda,
MAN, MM, RN
President

Association of Deans of
Philippine Colleges of
Nursing (ADPCN)

Mary Grace Lacanaria,
PhD, Ed, RN
President

Dear Prospective Participants:

Greetings! This letter serves as an invitation to join us and be part of sustaining our nation - building on Planetary Health and Climate Change, advocacy for nurse migration and knowledge transfer of innovations inspiring nurses with Filipino origins and our healthcare colleagues. Please Save the Date and Mark your Calendars in 2018 for:

- The Filipino Nurses Global Summit II (FNGS II), January 25, 2018
Theme: **Planetary Health: Unite for Nation Building**
- The 11th International Nursing Conference (INC), January 26, 2018
Theme: **Global Healthcare Innovations: Bridging the Chasm**

The events will be held at The Blue Leaf Filipinas Convention Center and accommodations at the Nobu Hotel, Manila, Philippines. The Philippine Nurses Association of America, Inc. (PNAIA) is the convenor and co-convenors are the Philippine Nurses Association, Inc. (PNA), and Association of Deans of Philippine Colleges of Nursing (ADPCN) in cooperation with the Commission on Filipinos Overseas (CFO).

The FNGS II will endeavor to recommend actions and policy resolutions to support initiatives of government and civic societies in the Paris Treaty on Climate Change (efforts to build resilience and decrease vulnerability of communities to the adverse effects of climate change); improve the overall experiences of the migrant healthcare professionals and support the development and mutual cooperation of the countries involved. Breakout sessions with nurses from different nations will discuss current and future state of nurse migration to both the exporting and receiving countries of these professional healthcare migrants, development and inter-country collaboration. A policy declaration paper of these recommendations will be drafted for implementation as a product of the FNGS II. The recommendations, resolutions, and policy actions will be tracked, monitored and evaluated according to an agreed upon timeframe. The 11th INC will showcase the innovative contributions to healthcare of Filipino Nurse diasporas from the Americas, Europe, Middle East, Africa, Asia, Australia and our country of origin, the Philippines.

We look forward to seeing you in these two seminal events. Attached is the Save the Date flyer and Call for Abstracts for iPoster Presentation. For more information, visit our website at www.mypnaa.org or contact:

Dr. Penny Pattalitan, Planning Chairperson, at PNAAInternational@gmail.com

With Best Regards,

Dino Doliente III, MBA, BSN, RN
President

Guidelines for Abstract Submission

1. All abstracts must be submitted to PNAAInternational@gmail.com. Please use the form below (Call for Poster/Podium Abstract Application)
2. The components of the abstract are divided into sections to help authors assure that they have included all the required information based upon the scoring criteria. Authors are encouraged to write the abstract in a word processing file (e.g. MS Word).
3. The final abstract (body of abstract) must be no more than 300 words (excluding the title and authors' names). Check the word count of your abstract (excluding the title and authors' names) in a word processing program prior to sending.
4. The abstract submission will not be reviewed unless all required fields are completed (see application form below).
5. To ensure consistent, high-quality content, all abstracts must be organized into the required format based upon the abstract category.
6. The abstract title should clearly indicate the nature of the subject. Acronyms should not be used in the title and should be written out on first mention. A quantifiable objective must be submitted and the body of the abstract should be in paragraph form, using complete sentences, and avoiding special characters. Abstracts should have all funding sources written out completely if applicable.

Philippine Nurses Association of America, INC.
2nd Global Summit of Filipino Nurses 2018 and the 11th International Nursing Conference
January 25 & 26, 2018 ♦ Blue Leaf Filipinas, Manila Philippines

7. If the work is in progress, include all planned methods, projected sample size, analyses, and timeline.

8. For abstracts with more than one author, the presenting author will be considered the contact person.

9. Abstracts **MUST** be submitted on or before **April 15, 2017**.
